

Assertion 4 “No” response explanation

Due to the Clerk/Responsible Financial Officer (RFO) being absent from the meeting when the AGAR was approved by Council on 10th June 2024 an oversight was made in that the Notice of Electors Rights was not published on this Councils website. Paper copies had, however, been erected in the Parish Council’s notice boards situated around the parish. This Council’s Internal Auditor highlighted the issue with the Council. Councillors were informed at the meeting on 10th June and therefore provided a “no” response to Assertion 4.
